

Your shop. Your name. Booked online, day and night.

A booking website and a shop control panel, built around your shop. Not a generic app, and with a real person you can call.

PROOF: LIVE IN A PHNOM PENH BARBER & DAY-SPA SINCE AUGUST 2026

561

confirmed bookings in
the first 3½ weeks

42%

booked online by
customers themselves

1 in 5

online bookings made
while the shop was
closed

715

customers moved over
from their old booking
app

Khmer + English website

Customers book on any phone, in their language. No app to install.

One schedule

Online bookings arrive by themselves. Staff add phone, Messenger and walk-in bookings in a few taps.

Right person, right job

Only offers staff who can do the service, at times that are really free.

Drag to move

Move a booking by dragging. Green means it fits. Red means no, and says why.

Telegram alerts

New online booking? Approve or reject with one tap from your phone.

Owner reports

Bookings, staff and booked value. Download as PDF or Excel.

Built for your shop, cared
for by us

Your name, logo, services and staff.
Hosting, hourly backups, and small
changes done within 24 hours.
